Password: the same as in the previous version

**How to uninstall "Formula Student Online V1" mod**
To avoid possible errors before you install the newer version of the mod, you have to uninstall the previous version. Here is how:

**1.** Open the rFactor 2 Launcher

**2.** Click on content

**3.** Select Formula Student Online v1 and click on uninstall.

**4.** After uninstalling the mod, you have to uninstall all of it's components also.

**5.** Select FSO_Super_Special (Location), FSOnline – ZalaZone (Location), FSO_EV (Vehicle) and Formula Student Online (Vehicle) then click on Uninstall.

**6.** After uninstalling all the components, restart rF2 Launcher and install "Formula Student Online V2" mod

**How to install "Formula Student Online V2" mod**

1. Extract the "Formula Student Online V1" rfmod file to the ...rFactor2\Packeges folder
2. Open the rFactor 2 Launcher
3. Click on content
4. Select "Formula Student Online v1" from the list
5. And finally, click on Install.

**How to join the servers**

1. Open the rFactor 2 Launcher
2. Click on Multiplayer
3. Click on *!FSO Autocross practice // !FSO SuperSpecial Practice* from the list
4. Click on Join Race. (Password is the same as for the DLC file)
5. Select your team's car // If your team does not have a car, select one of the base cars.

**Your Name Inside rFactor 2**

It is important that each driver joins the server with his / her full name and his / her team's car number:
<#00> <FirstName> <LastName>
To change your name in rFactor 2 multiplayer you have to do the following:

1. Go to the rFactor AppData folder, the path for which will typically be 'AppData\Roaming\.rFactor'
   If you can't find this folder press windows button + R and open %appdata%
2. Here you will find a file called 'rfactor.name' - open this file using a program like Notepad
3. Edit all three lines like this: (first name <#00 FirstNamer>, last name <LastName>, and nickname <#00 FirstName LastName>)
4. Save and close the file
5. Right-click on the file and select 'Properties'
6. Ensure that the 'Read-only' field is checked under the 'General' table (select it if not), and select the 'OK' button

**Discord**

We created a Discord server, which will serve as a hotline during the dynamic event to share possible urgent information. Joining the discord server is mandatory for dirvers.

Please edit your name in Discord as follows: [First Name] [Last Name] #[category][car number]
For Example:
Racing Driver #C99 (E - Electric, C - Combustion)

To join the Discord server simply click on the following link:
